

NORMA ROSE POINT PAC NEWSLETTER

PAC Chair/CoChair Message

Thanks to the PAC Event Committee and all the parent volunteers who participated in the 2nd Annual Multicultural Day Event.

Please join us on March 7th for PAC meeting and Parent Education Night .

Finally, wish all parents and students have a great Spring Break.

Sharon Yu - PAC Co-Chair

PAC Email

Lunch Email

rosepointpalunch@gmail.com

Important Dates:

Friday March 3: Parent Conversation Group - Learning Commons

Tuesday March 7: PAC Meeting follow by Parent Education Night - Saleema Noon “Body Science”

March 13 - 24: Spring Break

March 27: School back

Friday March 31: Parent Conversation Group - Learning Commons

Parent Education Night:

March 7th @ 6pm after a brief PAC meeting
We are excited to have Ms. Saleema Noon back to our school (she was at the school last year) speaking to students and parents about Body Science. Like last year, Ms. Saleema Noon will talk about as parents how to talk to kids about body science. For more information about Ms. Saleema Noon, please visit: www.saleemanoon.co. We look forward to seeing you on Tuesday March 7th. Free child care will be provided.

Lunch Website

Night Quest at Pacific Spirit Park

Nature at night is a magical experience. Wander 2km of lantern-lit trails and explore like owls, squirrels, coyotes and other nocturnal critters.

Saturday March 25 from 7pm-9:30pm

Call for Lunch Volunteers

Thanks to all the parents who order lunch through the PAC run lunch program, you do not only order healthy food for your kids, but also 10% of the proceeds goes to PAC fund which supports student educations. Recently, we allocated \$268.80 to purchase guitar racks and \$2,500 for K-5 math manipulative. This program cannot function without your support. We are now in need of parent volunteers, if you can spear one hour 11:30am - 12:30pm during the school day, please sign up through our website:

<http://nrppac.hotlunches.net>. Thank you!

Parent Conversation Group

In March, we will run two sessions of Parent Conversation Group.

March 3: “Children and Media” — when it comes to television, movies, advertisements, video games, song lyrics, etc., what is a healthy “media diet” for our kids?

March 31: “Mobile Phones” — when and how should kids use them?

* Want to discuss a topic of your choice? Please email rosepointpac@gmail.com

Traffic - Drop off/Pick up zone:

To ensure student safety during the busy drop off/pick up times in the day, if you choose to enter the drop off/pick up zone, please follow a few basic rules:

- 1, Please refrain from using your phone so you are ready to move forward
- 2, Do not leave your car so you are ready to move forward
- 3, Remind your child to be waiting outside for you so they can quickly get in the car and you can clear the area

Upcoming After School Classes:

Pear Tree Education: STEM Challenges Enrichment Class

When: Tuesdays March 28th- June 27th from 3:00- 4:30

Where: Room D110

Grades: K-4

Cost: \$350/14 weeks

Registration: contact Paul at paul@pear-tree.ca

Science, Technology, Engineering and Math! Each STEM Challenge class will introduce a principle, and in small groups or teams, students will participate in a challenge that works on applying the principle. Some examples of the challenges include making Lego Ziplines, light circuits, and mini waterslides! Students will be taught to safely work with materials such as glue guns, pulleys and levers, pliers, hammers, LED lights, and batteries. At the end of each class, students will present their ideas to their peers. This is a great hands-on class that involves exploration, critical thinking, public speaking and inventing!

Free Kick Soccer:

Dates: Wednesdays April 26th - June 14th

Time: 3:15pm - 4:15pm

Cost: Starts at \$110

Registration Link: info@FreeKickFC.com

Taekwondo:

When: Wednesdays and Fridays 3:00-4:20pm

Registration: WeChat: WenWuTang2010

Email: 2010wwt@gmail.com
