Do your kids love the beach?

Then your kids will love exploring our oceans with fun games and activities in Sea Smart's outdoor summer camps at Acadia Beach!

Developed by a marine biologist, this hands-on program gets kids excited about our oceans by teaching them about fascinating marine animals and how to help our oceans through fun team-building activities.

We have fun after school programs too! Check out seasmartschool.com.

Register your child and their friends today!
