

MOTION COMMOTION

BC Summer Reading Club 2018

Dear Parents,

Thank you for supporting Summer Reading Club at the West Point Grey Branch! This has been an amazing summer for kids joining the club - just one look at the branch's front window shows how many neighbourhood children and families have become part of Motion Commotion, 2018 BC Summer Reading Club.

Although we are in August, it is not too late to join.

All you need to do is visit your local Vancouver Public Library branch - it takes about 2 minutes to register for this free program.

Any and all reading counts for Summer Reading Club. You can even take Summer Reading Club when you go on vacation. As well, the branch has many contests and activities to complement and enhance your child's reading experience.

Summer Reading Club is a great program that encourages reading on a daily basis. Kids can read on their own in any format or language, or you can read as a family sharing stories new and old. All reading helps to maintain or improve reading skills while school is out!

For more information about Summer Reading Club or to register, drop by or call your local branch.

Have a great summer!
