# NO MATTER WHAT

## Terry Fox School Run

Every year, around 1,000 kids in Canada are diagnosed with cancer, and many of them receive treatment in British Columbia

### How can you help?

Last year we raised just over \$3,000, this year we are aiming higher.

- If each student donates \$15, we can raise over \$10,000 to support cancer research!
- Children often run 3-8 laps, encourage your friends and family to donate for each lap your child runs during the Terry Fox run (e.g. \$2-5/lap) or a fixed amount (e.g. \$5-20).

Together we can make a difference!
